I brought you daffodils in a pretty string, but they won't flower like they did last spring...

And I wanna kiss you, make you feel alright,

but I'm just so tired to share my nights. I wanna cry and I wanna love but all my tears have been used up.
on another love, another love, all my tears have been used up.

on another love, another love, all my tears have been used up.

on another love, another love, all my tears have been used up.

And if some-bod-y hurts you, I wan-na fight, but my hand's been bro-ken one too man-y times,
So I'll use my voice, I'll be so fucking rude, words, they always win.

but I know I'll lose. And I'd sing a song, that'd be just ours.

but I sang them all to another heart. And I wanna cry.

I wanna learn to love, but all my tears have been used up.

And I wanna cry, I wanna fall in love but all my tears have been used up.
